TSP-3 Touchscreen Keypad

Easy and Secure Access at Your Fingertips

- 7" Touchscreen
- 2 Megapixel Camera
- Two-Way Voice
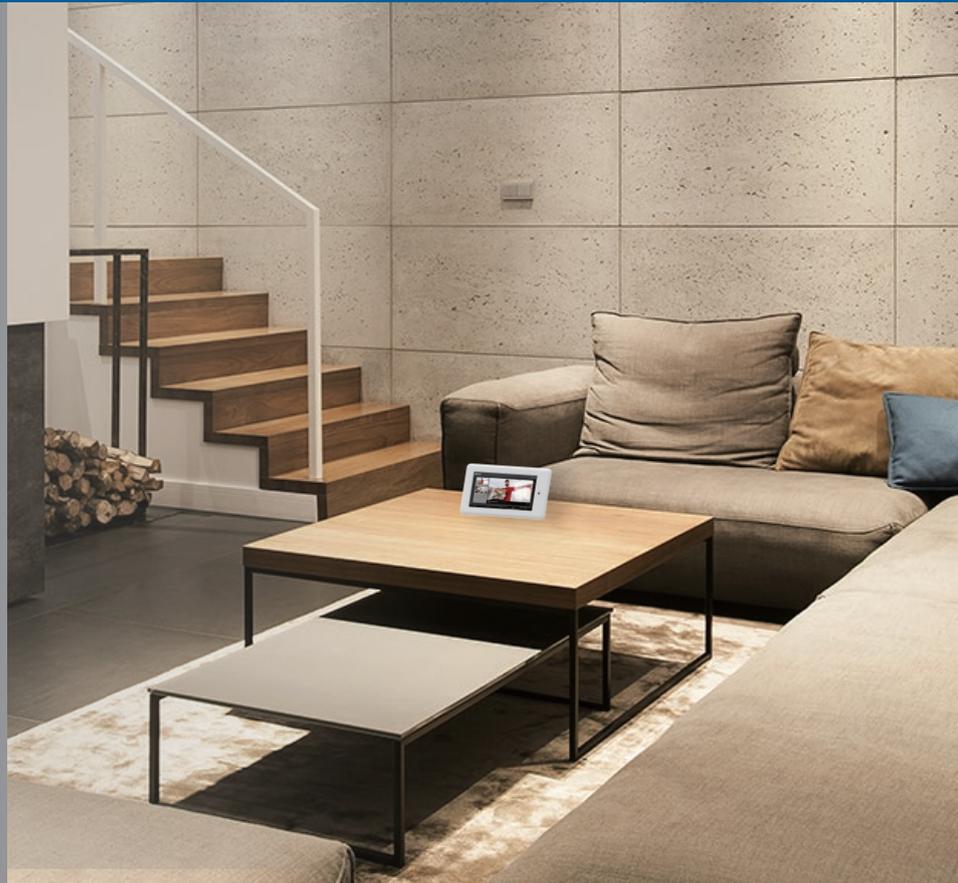

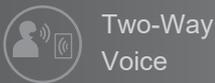

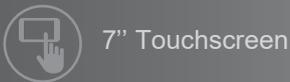

Climax's TSP-3 is a Touchscreen keypad. Featuring a 7" full-color, high-resolution touchscreen, TSP-3 provides quick and secure access to arm/disarm/home arm the system and an intuitive way to operate the security system. Connected to the control panel via Wi-Fi network, TSP-3 displays an overview of the system with its intuitive graphic user interface.

By gaining control over security and home automation sensors in the system, TSP-3 enhances convenience and comfort level of living. In addition, TSP-3 can be wall-mounted or placed on the table with its stand. With its flexibility of installation and the capabilities of security and home automation control, TSP-3 provides an effortless way for users to gain access control, as well as an easier, smarter way of living.
